

# WASHINGTON

## RECREATION AND OPEN SPACE

- **8 Washington would dramatically improve existing recreational facilities at the project site by providing larger, state of the art recreational, fitness and outdoor aquatic amenities.**
- **8 Washington would significantly increase the total amount of public open space at the project site.**
- **8 Washington would provide more public open space than the total land area of Seawall Lot 351 and includes a new children’s playground in Pacific Park.**

### **Existing Recreational Facility and Site**

Recreation and lap pools (6 lanes)	4,000 SF
Outdoor Recreation Space	5,000 SF
Fitness Facility	7,600 SF
Tennis Courts	9 courts
<b>Public Open Space</b>	<b>1,500 SF</b>

### **Proposed Recreational Facility and Site**

Recreation and lap pool (12 lanes)	6,300 SF
Outdoor Recreation Space	15,200 SF
Fitness Facility	16,350 SF
Tennis Courts	0
<b>Public Open Space</b>	<b>29,000 SF</b>
